

Spartanburg County Teachers and Environmental Educators...

You're invited to attend an

Environmental Education Association of South Carolina "Meet-and-Greet"

&

Green Steps Schools Training Workshop

~November 17th, 2011 from 4-6 PM at the Barrett Room in the Spartanburg Headquarters Library~

What is the Green Steps Schools Program?

A student-centered, environmental education initiative designed to promote project-based learning, helping students become more environmentally aware, responsible, smart, skilled, and action-oriented. Learn more at www.greenstepschools.com

Please RSVP to Jes Sdao at 864-814-2471 x101 or email spartanburgswcd@yahoo.com

Presented by the Environmental Education Association of South Carolina
(To find out more about the EEASC, visit <http://eeinsc.org>)

The Green Steps Schools Program Sponsors and Partners include: Keep the Midlands Beautiful, SCDHEC, Palmetto Pride, EdVenture Museum, Columbia Museum of Art, Carolina Clear, the Emily Tremaine Foundation, and Conservation Districts and Municipalities across SC
